

Doctor's Day
March 30

**Healing is their calling...
Appreciation is our response.**

Thanks to the teamwork of our doctors at St. Luke's Hospital, we have built our reputation of providing exceptional care.

On Doctor's Day, March 30, join us in recognizing our doctors, physician assistants and nurse practitioners for their community spirit, their healing talents and their selfless dedication to the art of medicine. Why not send a "Thank You" with a contribution to St. Luke's Hospital Foundation in his or her honor. The honoree will be notified of your gift.

It's just one day, but the gratitude lasts all year!

Please accept this tax-deductible gift in honor or memory of: _____

___ \$10 ___ \$25 ___ \$50 ___ \$100 ___ Other

Please make your check payable to **St. Luke's Hospital Foundation, c/o Meshelle Colvin, Executive Director, 89 W. Mills St., Suite B, Columbus, NC 28722.** If you prefer to make a donation over the phone, please call 894-2693.
